The Food Picture For May

Will You Be There On Saturday Night?

The "Big Night" for dancing in Daly City is almost here, and a large crowd is expected to gather at Colombo hall, Saturday night for the Ninth Annual Firemen's ball. Dancing will begin at 9 p. m.

Hosts for the evening are the entire force of the Daly City Fire department, and the guests are—you guessed it—YOU! It's an evening of fun and gaiety for everybody. A smooth floor, sweet music, and the girl! You bring the girl friend, get your ticket from any member of the fire department, and you are guaranteed by the department to have a rollicking good time.

Tickets will also be on sale at the door, Saturday night, if you are unable to get a ticket from a fireman.

"The general public is invited to attend this dance," Fire Chief A. P. Chesney declared. "We have been making a special effort to see that everyone will have a good time, so let's all turn out."

The Annual Firemen's Ball is a benefit affair for the Widows and Orphans association, which was founded by the Daly City Fire department ten years ago. Proceeds of the ball are entered into a fund for support of widows and orphans of deceased firemen.

In the past nine years, the Firemen's Ball has become one of the fire department's outstanding social events. Johnny Dell's orchestra will "give out" with dance music.

Schedule Control Center Test Drill

Heads of services and new members of the utility service of the Daly City Civilian Defense Council will hold a drill, tonight at 8 p. m., at the control room in the city hall, it was announced, today, by Arthur J. Bodien, local civilian defense director.

The new members are employees of the Pacific Gas and Electric company in this district who have volunteered their help in the city's utility service following the recommendation of the State Council of Defense. The drill will afford the P. G. and E. men a chance to become acquainted with the control room. Telephone operators will not participate in the drill.

Jeff Track Squad In Meet Tomorrow

Twenty members of Jefferson high's track squad who qualified in the Peninsula Athletic League time trials, Friday, will compete, tomorrow, in the annual PAL conference track and field meet at Palo Alto. The meet will be held at Stanford University's Angell field, and the first event will be run off at 1 p. m.

Although the Indians are not long in material for the A, C, and D weight divisions, Coach Elman Rose, Jefferson mentor, is counting on plenty of points in the B or 130 pound division. Qualifying eight men in 18 events, including the relay, Jefferson is one of five schools vieing for honors in the B division. Despite the fact that many good marks were set up in other divisions, the B division will be the big battle. Schools who qualified in this division are Palo Alto, Burlingame, Sequoia, San Mateo, and Jefferson. Although Palo Alto is favored, Jefferson and San Mateo are expected to be strong contenders.

A likely feature attraction of tomorrow's meet will be the sprint duel between Al Chelone, Jeff speed merchant, and Palo Alto's Wood. Chelone placed first in his heat in the 220 yard dash and second behind Wood in the 100 at last week's time trials. The time of 10.8 seconds in this race was poor, but neither Wood nor Chelone were trying anything above a qualifying spot. Chelone's time in the 220 was 24.3 seconds.

Stone Lantz, Jefferson entry in the A or varsity division, tied the school record in the high hurdles during the time trials with time of 16.3 seconds. The record was set by Newton Kyle, member of last year's Jeff team. Lantz will compete, tomorrow, in the high hurdles and high jump. The only other Jefferson entry in the varsity is Willard Suit in the mile run.

Local qualifiers in the B or 130's are as follows: Al Chelone, 100, 220, discus; Vince Barsi, low hurdles, high hurdles, and broad jump; Bob Bybee, low hurdles, broad jump and shot put; Ray Stump,

It Takes Less Blue Stamps For Juices

Other Changes Include Removal Of Dried Soups

In an emergency decision, made after the official point charts for May were printed, the Office of Price Administration, Sunday, May 2, temporarily removed from rationing all dried or dehydrated soups.

Simultaneously, OPA revealed the May point values for processed foods, high-lighted by further substantial reductions in the number of points required to be paid for most fruit and vegetable juices.

The change became effective as of 8 a. m., EWT, May 2.

Decision to make dried or dehydrated soups ration-free for the time being was reached jointly by the War Food Administration and OPA on the basis of a study of new statistics received after the May point charts had gone to press.

Blue stamps lettered G, H, and J, a total of 48 points, are valid for the month of May and, because of the latest revisions, will enable consumers to increase their purchases of several important types of canned foods, especially fruit juices. There are no major changes in the point values of vegetables, except for reductions in tomato juice and other vegetable juice combinations containing 70 per cent or more of tomato juice.

Frozen fruits and vegetables continue to carry the same point values that were assigned to them, April 22. There are no changes in the point prices of dried beans, peas, and lentils or of baby foods.

To make the housewife's shopping problem easier, OPA has prepared and distributed for newspaper reproduction a "handy point chart" giving the point values of the most popular container sizes. Consumers are urged to clip this chart from their newspapers and keep it for kitchen posting. See page 10 of this week's Daly City Record.

One feature of the new chart is the dropping of a lengthy list of items that are not rationed. Instead, consumers are informed

Local Police Nab Hi-Jackers' Loot

Part of the loot of the Albany hi-jackers who engaged in the shooting with Albany police, last week, was recovered in Daly City, Saturday, by local police.

Thirty-five automobile batteries and nine ignition coils were found in a vacant lot on Frankfort street and later taken to police headquarters here. The recovery was made possible by Mrs. D. V. Neilson, 263 Frankfort street, who noticed the auto parts and reported it to Daly City police.

The batteries were tied up with the Albany hi-jackers, according

Appoint A. A. Grieg Sector 2 Senior Warden

At Friday night's meeting of Daly City Senior Air Raid wardens, A. A. Grieg was appointed senior warden for Sector 2, which has been without a leader for some time.

Other matters discussed included a study of safety precautions to be taken in the event of unexploded bombs, the distribution of a government pamphlet about servicemen, the arrangement of first aid classes for Sectors 1 to 12 inclusive, and the setting of a softball game between Sectors 13 and 14 and Sector 19 for Sunday, May 9, at Jefferson Union high school diamond.

Next meeting of the senior wardens will be held, Friday night, May 14, beginning at 8, at the city hall, 75 Wellington avenue. A good turnout is urged. At Friday's meeting there were 22 night senior wardens and four day senior wardens present.

PATHS OF TWO LOCAL BOYS CROSS IN EGYPT

—Photo by Craig

Sergeant Jack Smith, Daly City's first war hero to return home, is shown above in a picture taken while Smith was here waiting orders for transfer to a new air base, recently.

Smith, whose grim war-time itinerary has taken him from the South Pacific to Egypt and back again, met another Daly City man in his travels, several months ago—his only encounter with a "guy from home." The man he met was Staff Sergeant Howard Petersen, whose home address is 282 Los Olivos avenue. To add further coincidence to the meeting it just happens that the two local men enlisted in the U. S. Army at the same time.

Petersen, in a recent letter to C. J. Pettigrew, proprietor of Daly City Garage, told of meeting Smith in a sergeant's club in Egypt about two months ago. "Odd, my meeting him that way, as he was the one who put the bug in my brain to join the air corps," Petersen wrote. "We had a swell time talking over the good old days."

He concluded with "Well, that's about all for now, Cliff. Sorry I can't tell you anything about where I am or what I am doing, as you know how Army censorship is! I am in good health . . . Say hello to George Pavlos and any other people around Daly City who remember me."

Anyway You Look At It-- It Was Quite A Weekend

In the midst of a crowd of over fifty soldiers and sailors, a pair of fist fights featured Daly City's rising tide of night life on Mission street, Sunday morning, soon after closing time for local taverns.

A detail of Daly City police officers broke up the first fist fight, a slugfest between an army sergeant and a private, and put the two men in the police car. At this point the second fight broke out, and officers were forced to apprehend another soldier, marching him off toward the police car.

From then on, it was a hide-and-seek game between police and soldiers. Officers, returning from their job of dispersing the crowd, found one soldier gone from the car and another on his way out. Military police failed to get names and serial numbers of the soldiers involved.

Another all-army fracas was reported to police at 11 p. m., Saturday on San Pedro road in Colma where three soldiers were slugging it out with two M. P.'s attached to jeep patrol. Several calls were telephoned to Daly City Police headquarters within a few minutes, and the three soldiers were placed under military arrest here. One of them was released to M. P. authorities an hour later to receive medical attention for a cut on the head. The soldier claimed he had received the cut when he fell from the sidecar of a motorcycle he was riding with the other two previous to the fight with the M. P.'s.

A third fist fight took place at an auto court at 6925 Mission street at 7 p. m., Saturday, when Lewis Gagnon, a tennant, struck Gillpatrick, another tennant. Police were summoned by Mrs. Gillpatrick.

Adi Petrocchi Second Lieutenant

The public relations branch at Fort Belvoir, Virginia, has announced that Adi Petrocchi, son of Mr. and Mrs. Andrew Petrocchi, 180 Santa Barbara avenue, was graduated from the Engineer Officer Candidate school there, April 28. He is now a second lieutenant in the Corps of Engineers, Army of the United States.

Petrocchi, who attended Jefferson Union high school, enlisted in the Army, March 26, 1942, at San Francisco. Before entering the service he was employed by Schmidt Lithograph company as assistant chemist.

The course at Fort Belvoir called for twelve weeks of intensive training, demanding long hours of constant application before Petrocchi could qualify as an officer.

Mrs. Louise Williams Closes D. C. Nut Shop

Six years to the day that she opened the Daly City Nut shop at 1 Wellington avenue, Mrs. Louise Williams, proprietor, was forced to close the doors of her popular candy store, due to war-time shortages of materials. Mrs. Williams opened her shop here, May 1, 1937, and May 1, 1943, saw her reluctantly locking up for "the duration." She will keep her site, however, and assures her many friends that as soon as possible the store will reopen.

Mrs. Williams, whose home address is 255 Knowles avenue, has made a wide circle of friends in her years at "the top of the hill." Delicious candies, which she made herself, and hot roasted nuts made her shop a "must" for local children and grownups with an appreciative "sweet-tooth."

Red Stamps Will Buy Fewer Steaks

Advances Confined Largely To Prime Cuts

Twenty-five reductions and sixteen advances, each representing a change of one point, effective at 12:01 a. m. Sunday, May 2, are shown in the new table of consumer point values for meats, fish, fats, and cheese released, this week, by the Office of Price Administration.

Advances are confined largely to prime cuts—steaks and roasts—of beef, veal and pork. Reductions occur for the most part in variety meats, canned fish, and other special products already having a relatively low point value. The fact that no sharp cuts or mark-ups were made indicates that the OPA had accurately measured the relationship of supply to the buying habits of the nation.

At the same time, OPA announced that despite some requests for lowered sausage point values, substantially the same values which were established, April 11, are to be continued in effect. Sufficient recognition was given them, it is believed, to a temporary condition of over-production which has created the "sausage problem." Point values could not be lowered still more, officials said, without diverting excessive amounts of fresh cuts to sausages.

The new table of red stamp points is presented in this week's Daly City Shopping News on pages 4 and 5.

Featured by the narrowness of changes which OPA found necessary to make, the official table of point values is highlighted by the following:

In the beef category, five cuts of steak—round, top round, bottom round, round tip and flank—were advanced a point each to 9 points per pound, and round top roast was advanced from 7 to 8 points a pound.

In veal, advances of a point were made in leg roast, round steak cutlets, and sirloin steak or chops.

In pork, point values were raised a point each in center cut chops and loin roast, while ham, shank end, was lowered a point. In this classification, the item formerly designated as "ham, boneless," was separated into two new items, "ham, bone in, slices" and "ham, boneless, slices." The point value of the former was raised to 9 points a pound, and the other item is on the same 9-point level.

Fresh, cooked, and smoked sausages were reclassified on the basis of meat content in their preparation. The new groups, with their point value, follow: Group

Packers To Face Strong Opponents

Daly City Farralone Packers will face a strong opponent in the Peninsula Summer Baseball league at Marchbank park, Sunday at 2 p. m. when they play the formidable Owl Drug team in a big semipro attraction for local baseball fans.

The game will be preceded by a morning game between a pair of junior league clubs, the Daly City Farralone Juniors and Stanley's Fountain. This game will start at 11 a. m.

The Owls, who defeated Moffatt Mantecas here, last Sunday, 2-0 by virtue of a no-hit no-run performance of the veteran, Walt Lister, are favored over Manager Charlie Norry's club in Sunday's game. Otto Olsen, Owl manager, elected to give Lister a rest this week, so either Cole or Adams will pitch for Owl, with Patch catching.

Steve LeGault, righthander, will be on the mound for the Farralones, and Fenich will catch.

Drawing a bye from league play, last Sunday, the Farralones dropped a 6-3 decision to Permanente Cementers of San Jose in a game down the Peninsula.

Film Of War-Torn London Opens Here

Against a lurid background of bomb-torn London, "Journey for Margaret," which opens tonight at the Daly City theatre, is a dramatic adaptation of W. L. White's memorable book on his experiences as an American war correspondent.

Robert Young and Laraine Day are featured, with 5-year-old Margaret O'Brien playing the title role, aided by Billy Severn, a year her junior. They portray the loveable war orphans adopted by Young in London.

Young and Miss Day achieve new dramatic heights as acknowledged craftsmen. The children are magnificent, performing their emotional roles with the artistry of schooled veterans.

Expecting a baby, Nora is injured in a raid on the city. An operation saves her but the doctor informs Davis that she can never have a child. Heartbroken, Nora returns to America. Davis remains to complete his assignment.

He rescues the child Peter from his bomb-wrecked home and later meets Margaret at an orphanage conducted by Trudy Strauss (Fay Bainter), and adopts them. How he restores their bomb-shattered nerves and with the help of Trudy Strauss brings them to America, forms an absorbing story.

Following his successful performances in "Joe Smith, American" and "H. M. Pulham, Esq.," Robert Young adds new laurels to his acting fame. As John Davis, he is perfectly cast. Laraine Day again proves herself one of Hollywood's better young actresses with a sympathetic performance.

CURRENT ATTRACTION AT DALY CITY

Five-year-old Margaret O'Brien has the title role in M-G-M's "Journey for Margaret," with Robert Young, above, and Laraine Day playing the leads. The film is now playing at the Daly City theatre.

Mrs. Banfield Hostess To Woodrow Wilson PTA

Mrs. Lena Banfield, 355 Woodrow street, will be hostess to members of the executive board and sewing group of Woodrow Wilson P. T. A., Tuesday, May 11, 12:30 p. m., at a dessert luncheon. The board meeting and sewing will follow lunch.

The members will complete plans, during the board meeting, for the installation of officers, scheduled for Tuesday, May 18, 2 p. m., at Woodrow Wilson school. Mrs. Stella Jensen, president of the Seventeenth district, C. C. P. T., will be installing officer. All members of the unit are urged to be present for the installation ceremony.

Red Stamps

1, (100 per cent meat content) 6 points a pound; Group 2 (less than 90 per cent meat) 5 points; Group 3 (not less than 50 per cent meat) 4 points; and Group 4 (less than 50 per cent but not more than 20 per cent meat) 3 points. Included in group 2 is liver sausage, regardless of its higher meat content. In Group 4, also regardless of higher meat content, are souse and head cheese.

In the fats and oils bracket, only one change was made. Salad and cooking oils were reduced in point value from 6 to 5.

In the cheese grouping, no change was made. Based on trade reports, OPA rationing officials believe that cheese items which had been bought rather heavily before rationing started, are now beginning to move in more normal fashion.

In the canned meats section, point reductions were made in meat loaf, brains, bulk sausage and Vienna sausage. Included under the heading "luncheon meat" are spiced luncheon meat, spiced ham, and chopped pork whether or not removed from the can.

Recognition was given to a new American industry, with the listing of canned sea mussels at one point a pound. In the initial table of consumer point values, effective on March 29, sea mussels were not listed separately, but carried under "all other" canned fish items at 7 points a pound. The point value of this general "all other" classification was reduced from 7 to 3 points a pound.

Bouillon cubes, beef extract, and all other meat extracts and concentrates, formerly listed at 7 points per pound, are removed from the official consumers table. Bouillon cubes and meat extracts, produced from cooking waters, are no longer rationed because they are considered to be different from the other meat foods covered by the meats-fats rationing program.

Another change places caviar and fish roe in the "all other" category under canned fish, and thus reduces their point value per pound from 7 to 3. These items have been moving slowly under rationing.

NEWS OF ACTIVITIES AT JEFFERSON UNION HIGH SCHOOL

By VERNA MORESCO

PAY ASSEMBLY

On Monday, May 3, Jefferson presented as a pay assembly Peggy Engel, lyric soprano, and Polly Thompson, pianist and accompanist. Some of Miss Engel's recent appearances include roles in the San Francisco Opera company.

Miss Engel sang the following selections: "Tales from the Vienna Woods," "Stardust," "Sweetheart," "When Irish Eyes Are Smiling," "Summertime," and "The Cuckoo." Some of her songs were done in costume.

Miss Engel's accompanist also played two piano solos called, "The Minute Waltz," by Chopin, and "Rhapsody in Blue," by Gershwin.

SPANISH CLASSES

The program put on by William Feole's Spanish classes, Wednesday, April 21, boosted the sale of War bonds and stamps for Jefferson. Some of the students participating in the program were: Eleanor Benedetti and Josephine Rivas, dancers; a chorus, composed of Eunice Delucchi, Roberta Miller, Elsie Cerna, Diana Bradley, Alice D'Isep, Darlene Andrews, and Rebecca Galindo.

TEACHERS

Daly City will again receive publicity over KSFO when Clive M. Saiz, of the local high school faculty, gives his third in a series of talks on Historic America, next Tuesday afternoon at 3:45 p. m. He will be introduced by Mrs. Charles P. Gibbons, who is in charge of this feature of KSFO. In his previous talks he has discussed visits made to the historic shrines of this country with emphasis on the homes of presidents.

MRS. ANDERSEN

Mrs. Effie Andersen, popular art instructor at Jefferson Union high school, left, Monday, for Virginia where she will join her husband, Lieutenant Louis Andersen, who is in the Medical department of the Army. A substitute will take care of Mrs. Andersen's classes while she is away.

Students of the school gave her a traveling set at the close of last Friday's assembly in appreciation of her keen interest in their individual problems. The faculty also joined with them in making the gift which was presented by Anita Lehigh, vice-president of the student body, in the absence of the student body president, Ralph Capps. She read an original poem which Capps had written for the occasion.

EXECUTIVE BOARD

The meeting was called to order at 8:02 a. m., Tuesday, April 27, 1943, by Anita Lehigh, vice-president.

The minutes of the previous meeting were read. There was a correction. "Members of the Executive Board having grades below a C- were to have two weeks rather than one week in which to raise their grades."

Old Business: Lenore Ross stated that John Harville would take a picture of the executive board again, as the others didn't turn out.

New Business: Mary Seidel started to read the Girls' Athletic Association Constitution but was interrupted by the bell. She will have to read it at the next meeting.

Mrs. Effie Andersen suggested the Student Body Purchasing Fund buy a $1,000 bond. This was voted on and passed by the board.

Mrs. Andersen told the board it was her last week here and that she may return next year, but she cannot say for sure. She is leaving to meet her husband who is in the United States service. R. L. Gray has agreed to act as advisor of the executive board in Mrs. Andersen's place.

ABOUT SCHOOL

Junior Red Cross girls are now aiding the Junior A. W. V. S. in the stamp booth each day.

Popular **Tim Christen** was honored, last week, to take first place in the Northern California Junior Golf championship. Tim will receive a medal or a cup for his fine work.

MUSIC

Tuesday, May 4, at 8 p. m. the San Francisco Municipal chorus sang Brahms, "Requiem Mass" in the First Congregational church, corner of Post and Mason streets. The chorus under the direction of Dr. Hans Leschke, now has a number of Jefferson students taking part, through the efforts of Oscar Busch.

MOTHERS' DAY

In the years since the dedication of one specific day on the calendar to honor mothers for their self-sacrificing devotion to sons and daughters, there has been no year when mothers have been due more honor than now.

There has been no year when their sacrifice has been greater. No year when more tears have been shed in the sleepless, worry-ridden hours, or when more mothers' prayers have been murmured for the safety of sons facing deadliest danger.

For every clear-eyed youngster who leaves his home to learn the ghastly lessons of war and help protect his country, a mother's heart is dealt a scarring blow which only his safe return can erase. Every day and every night the prayers of millions of American mothers follow their sons across the world, beseeching divine Providence for their safety. Thousands of American mothers who already have lost their sons in the battle for freedom, wear their courage and their pride as badges across their hearts—hearts that are crushed and never will be whole again.

This is the day, of course, for every person to reflect a little on the devotion of his own mother, to prove his pride in her if she is here, to honor her in his thoughts and actions if she is not. But more than that, it is a day to honor all mothers, most especially those who have sent their sons to meet the enemy, and those unfortunate, saddened few who have lost them. It seems to us that the greatest sacrifice being made in the world today is made by mothers.

Book Three Comes Your Way By Mail

Mail centers have been announced by the Office of Price Administration for the distribution on the Pacific coast in June of War Ration Book Three, which provides new stamps to replace those running out in existing books.

Approximately 13 million copies of the replacement book will be distributed by mail to residents of California, Arizona, Nevada, Oregon and Washington from the following state centers: San Francisco, Phoenix, Reno, Portland and Seattle.

Regional OPA officials emphasized that Book Number Three is a replacement book and that at the present time no further rationing programs are contemplated. Book Three combines "unit" stamps—already familiar under the sugar, coffee and shoe programs—and "point" stamps, now used for canned goods, meats and fats.

OPA officials explained that a simple post-card application will be the method of distribution of Book Three under the plan. Application forms, good for a single person or an entire family, will be dropped in every mail box by postmen between May 20 and June 5. The head of the house will fill out the cards, which are preaddressed to OPA mail centers, for the entire family and post them between June 1 and June 10. OPA mail centers will begin sending out the books late in June.

BONDS 'N STAMPS

They've done it again! Jefferson once again gets to fly the Treasury Flag for the month of April. It looks as if they are going to keep their promise. The total for the month of April was $4,581.80. The grand total is $13,686.75.

The class competition again boosted sales. The juniors were ahead again with the total of $1667.75. The sophomores were not far behind. They collected a total of $1663.10. The freshmen collected $733.10. Last were the seniors with $405.20. The total was $4,469.35.

It was quite an increase over last month which had been the best to date. It was splendid, especially considering the one week vacation.

There was 97 per cent participation during the month of April. The rooms with 100 per cent were: Miss Mary Berquist, Mrs. Gilda Brown, William Feole, Claude Hackley, John Harville, Miss Elizabeth Jones, Miss Beth Learned, Miss Maynard, Howard Miguel, Miss Ella Redkey and Miss Nace, Mrs. Dorothy Pendergast, Mrs. Marjorie Reandeau, Clive M. Saiz, Miss Edna Smith, and Glenn South and Elman Rose.

Group 141 Has Four Lots Under Cultivation

Scoutmaster Joseph Straughan announces that cubs and scouts of Boy Scout Group No. 141 now have four lots under cultivation and are planning still more planting in their ambitious Victory Garden program.

Among the vegetables growing are lettuce, beans, peas, potatoes, carrots, beets, cabbage, celery, cauliflower. Later, dry beans will be planted.

The garden project is a cooperative affair. Each boy earns a salary per hour for his labors as well as a chance at a bonus and shares of stock in the corporation. The boys plan to market their produce, which Straughan estimates will run to $200 or $300 worth of food, this season.

The boys of No. 141 are continuing work on the recreation area at Grace Church of the Nazarene but have had to slow down some what, giving the gardens precedence.

Block Mothers Asked To Call For Armbands

Mrs. Adele Hanelt, leader of Daly City's Block Mothers, announced a new recruit, this week. She is Mrs. Peggy E. Radford, 213 Los Olivos avenue.

Block Mothers were reminded again that their armbands and window signs are ready and waiting and should be picked up at once. These may be secured either at the home of Mrs. Hanelt, 328 Winchester street, or at the home of Mrs. S. G. Bryant, 559 San Diego avenue.

Daly City Squadron Boys Now In Services

Daly City Squadron No. 410, Sons of the American Legion, has a large number of its members now in the armed forces. Included in its list of boys gone off to war are Joe Becker, Robert Francesconi, Bill Tallmadge, Bob Przborowski, Robert Crooker, Gordon Harvey, the two Shinazy brothers, and Bob MonSanto.

The squadron meets on the second Wednesday of every month, 7:30 p. m., at Legion hall.

Jefferson Nine To Meet South City

In their spring meeting with a PAL rival of long standing, the Jefferson Indian nine will clash with the South San Francisco Warriors, tomorrow at 3:15 p. m., on the Jefferson diamond.

Now in second place in PAL baseball play, South San Francisco boasts one of the strongest teams in the circuit, trailing only the powerful San Jose champions. The Warriors were tied for first with San Jose until they dropped a game to Sequoia high, last week. Jefferson had a record of four losses and one lone victory at the start of the week, and they played Burlingame on Tuesday.

Coach Glenn South announced the starting lineup for Jefferson as follows: Parodi, third base; Borg, shortstop; Fair, centerfield; Fitzgerald, rightfield; Picchi leftfield; Freeman and Arthurs alternating at pitcher and first base; Wright or Fellows, catcher; and Cavagnaro, shortstop.

After setting the pace for four innings, leading by a score of 3 to 0, the Indians folded in the fifth, Friday, in a league game against San Mateo, and the Mateans went on to win 8 to 3. Seven errors on the Jeffs' part proved costly enough, and gave San Mateo enough margin to win. The Indian fiasco began during the San Mateo half of the fifth inning when Fitzgerald, Indian rightfielder, dropped a fly ball. The next batter hit, and a sacrifice and a fielder's choice gave San Mateo two runs. They added two in the following inning, and finished up with a four run rally in the last frame to win the ball game.

Jefferson's runs were all scored in the second inning, two of which were scored on a sharp single by Bud Fellows, Indian catcher. Wright led off with a single and Fitzgerald sacrificed him to second base. Tulio Picchi hit down the first base line, and Matt Borg, Jefferson bunt expert, laid one down to third, filling the bases. Fellows then brought in Wright and Picchi with his base hit, while Borg later scored on a wild throw to second base.

DONATE CANES!

Canes for wounded soldiers, sailors, and marines are still being collected by the local Civilian Defense Council at their headquarters in Room 2, city hall.

Arthur J. Bodien, director, announced a total of eleven canes turned in so far, and local citizens were urged to enter the drive with their donations of old canes. Canes should be brought to headquarters in the city hall, 75 Wellington avenue.

Mrs. Borelli Opens Cut 'N Kurl

Mrs. Jennie Borelli, popular Daly City beauty shop operator, has announced that she will reopen her shop, Cut 'N Kurl Beauty salon, 6654 Mission street, Monday, May 10. She had closed the shop, which will shortly celebrate its ninth anniversary, to visit her husband in Florida, where he was training with the U. S. Army.

However, a change in plans found Private Joseph Borelli transferred to Pittsburg, California, where Mrs. Borelli was able to visit with him for only a week before he was sent overseas. Borelli has only been in the Army 3 1-2 months. He took basic training at Atlantic City, New Jersey, and advanced training at Tampa, Florida. Before entering the service, Borelli was a marine electrician on the San Francisco waterfront.

Mrs. Borelli announces that her hours at the beauty shop will be from 9 a. m. to 6 p. m. daily.

More than twenty soldiers attended the dance given at Legion hall for their entertainment. The Legion had issued invitations to a number of young ladies for the occasion.

The evening was such a grand success that other such parties are to be scheduled.

At Saturday night's dance, cake, punch and coffee were served. Chairman for the auxiliary was Mrs. Mary Crane, and chairman for the post, M. Smith.

Local Man Arrives At Corsicana Field

Santa Clara University Announces Fall Term

The regular fall term of the University of Santa Clara is expected to open as usual in August of this year, according to a determination reached this month by the university authorities.

Civilian students will be able to follow the normal university curricula, despite the fact that the Army will send a large number of trainees to the Santa Clara campus in the near future for engineering studies. It is expected that the Army will occupy the greater portion of two of the campus residence halls, the third being reserved exclusively for civilians. There will be no limit on the number of non-resident day scholars.

Colma Red Cross Schedule Whist

The Colma Red Cross Disaster Canteen committee will give a whist party at Colma Community center, Dunks street, Friday afternoon, May 21, 2 p. m. Coffee and cake will be served without charge at the conclusion of the game. Proceeds are to be used to buy necessary canteen equipment.

Members of the disaster canteen, of which Mrs. Grace MacDonald and Mrs. Pauline Shinazy are co-chairmen, are working hard to make the affair a success. Assisting them are members of the Colma Red Cross sewing room, co-chairmen of which are Mrs. Leota Suenderman and Mrs. Cecelia Fuchs.

The scarcity of physicians in the Colma area was cited as giving added importance to the home nursing classes being offered by the San Mateo County chapter, Red Cross. An afternoon or evening class or both will be given at the Colma Community center if a sufficient number of names are sent in. In addition, if a large enough group of women who speak Italian wish to make up a class, instruction given in Italian will be provided. Anyone wishing to take the home nursing course is advised to send her name and preference of time to Mrs. M. Pauline Brown, Box 1653, Colma post office or to Mrs. Dina Rossi, Colma post office.

The final count of money turned in to the San Mateo chapter, American Red Cross War fund by the Women's division of Colma unincorporated amounted to $815.57. The untiring efforts of the campaign committee, assisted by the cooperation of various women's organizations in Colma district, made possible the excellent results.

The women's division contribution, combined with the donations made by the Colma ranchers who were solicited by A. J. Gaggero, brings Colma unincorporated war fund total to approximately $1,350.

Because of a change in plans, the Cut 'N Kurl Beauty Salon will reopen Monday, May 10, after having been closed for two weeks. Hours 9 a. m. to 6 p. m. daily except Sunday.

Ways with Fresh Produce

Fresh vegetables and plenty of them keep the nutritional score of your menus high. Vitamins and minerals are really important to the diet now. And fresh vegetables are rich storehouses of these food essentials.

To conserve and profit by these necessary food elements, serve vegetables uncooked in salads or cook them quickly. Vary them too, for appetite interest. Even the seemingly unglamorous vegetables can be turned into dishes of delight.

. . . Beets in Deviled Sauce—Make a thickened sauce using 2 tbsps. shortening, 2 tbsps. flour, ¾ cup beet liquid, and salt and pepper to taste. When sauce is slightly thickened, add 1 tbsp. sugar and ¼ cup vinegar and bring to boil. Pour over hot, sliced beets.

. . . Raw Beet Salad—Combine 2 cups coarsely shredded, raw beets and 1 cup chopped peanuts with a bit of lemon juice and salad dressing.

. . . Cabbage Chop Suey—Toss together 3 cups shredded cabbage, 1 cup sliced celery and leaves, 1 large, sliced onion, ¾ cup green pepper and salt and pepper to taste. Fry covered in a small amount of shortening 5 to 10 minutes, no longer, stirring occasionally.

. . . Spicy Cabbage Slaw—Grind cabbage and mix with vinegar, salt, pepper and sugar. For variety, add equal parts ground carrots and cauliflower, mix with salad dressing, press into teacup to mold, and unmold on cabbage leaves.

. . . Scalloped Carrots—Scallop sliced carrots alone or with potatoes and/or onions. Top with cheese if you like.

. . . Pioneer-Style Baked Onions—Bake large onions, whole with outer skins and all just as you would potatoes. Serve by breaking open, and seasoning with salt, pepper, and butter.

. . . Parsnip-Apple Casserole—Arrange alternate layers of cooked, mashed parsnips and sweetened applesauce. Sprinkle each layer with a bit of brown sugar, nutmeg and lemon juice. Top with buttered bread crumbs and bake in moderate oven (350° F.) for 30 minutes. Serve as a vegetable.

. . . Breaded Turnip or Rutabaga Patties—Boil turnips or rutabagas, mash, season and form into patties. Roll in bread crumbs and fry quickly in hot shortening.

Mrs. R. D. Moseley At Seattle Wedding

Mrs. Reuben D. Moseley, 25 Rice street, recently returned from a month's visit at the home of Mr. and Mrs. Luther J. Miller in Seattle, Washington.

Mrs. Moseley took the trip north to attend the wedding, March 30, of her son, Leon Francis Miller to Miss Carolyn Irene Neibour, of New York and Miami, Florida.

The wedding was an informal afternoon affair which took place at the First Presbyterian church in Seattle's Wallingford district. The wedding ceremony and prayer were read by Reverend Louis Randall. The altar was lovely with white lilies and spring flowers. It was lighted by two dozen tall altar candles.

The bride wore a pretty spring suit of light blue with white blouse, tricky little straw hat of navy and white with face bonnet veil and navy accessories. She wore a corsage of pink camelias and lilies of the valley. She was attended by Mrs. Luther J. Miller, formerly Miss Kay Misenhimer of Palo Alto.

As maid of honor Mrs. Miller wore a spring suit of soft green with white straw sailor hat and white accessories. Her corsage was of yellow Talisman roses and maidenhair.

The groom's mother was dressed in a print of yellow and blue flowers on gray background. Her corsage was of pink roses and blue iris.

The groom was attended by Joseph Holtz, also a San Francisco boy now in Seattle. From the church the wedding party and guests attended a wedding supper at the Casa Villa, one of Seattle's charming restaurants. Later a delightful buffet and reception were held at the home of Mrs. Miller for the remainder of the young couple's many friends.

The groom, Leon F. Miller, is a graduate of Berkeley schools and Mission high, class of '36. He has been in the Merchant Marine service since that time. He was with the Matson Navigation company at the time of the bombing of Pearl Harbor, having sailed from that port about 32 hours prior to the sneak attack. For the past year and a half he has been with the Alaska S. S. company, with Seattle as a home port. His stepfather, Reuben Moseley, Daly City, is an officer with the Merchant Marine.

The bride was given away by Raymond Nash, of Seattle, as her parents were unable to attend. The former Miss Neibour is the 21-year-old daughter of Mr. and Mrs. Frederick C. Neibour who reside in Miami, Florida. She is a graduate of John Adams high, 1938, of Brooklyn, New York.

The couple will remain in Seattle for the duration, after which they hope to make their permanent home in California. Leon Miller comes from a long line of mariners. His grandfather and great grandfather and practically all of the men on his mother's side were seafarers.

that if an item is not specifically listed it is excluded from rationing and no points need be paid.

Under this definition the number of fruit juices that are rationed is confined to citrus juices, fruit nectars (excluding Papaya), grape juice, pineapple juice, and prune juice. In the vegetable juice category, only tomato juice and vegetable juice combinations containing 70 per cent or more of tomato juice are rationed. This specifically leaves ration-free carrot juice, sauerkraut juice, beet juice, etc.

A change in the "soups" list eliminates green turtle soups, clam juice, clam broth, and clam juice cocktail from rationing.

The list of rationed vegetables is substantially unchanged except that vacuum packed corn is now listed separately and canned corn-on-the-cob is specifically excluded from rationing. Leafy greens (kale, turnip greens, mustard greens, etc.), mushrooms, mixed vegetables, fresh shelled beans, and pumpkin or squash are other items listed separately for the first time.

A New Cause For Delay

Although manpower shortages and breakdown of equipment are the usual causes of delay in street car service these days, the Market Street Railway had a new problem to cope with about 1 a. m., Sunday.

Blazing the rails of the Mission street run in Daly City, one of the railway's early morning cars was stopped cold by one Harry Carter, one of San Mateo's citizens, who stood his ground in the middle of the tracks, right smack in front of the car. Clanging of the bell and threats by the motorman failed to make Harry yield, and it was not until Daly City police arrived that he agreed to let the car pass.

Police described Harry as "in no condition to be on the loose," so Carter was carted off to police headquarters for safekeeping.

Drives Through Fence

Herman Hicks, a sailor in the United States Navy, escaped injury, Saturday, when the car which he was driving went through a fence at the corner of Niantic street and Los Olivos avenue, and over the bank to the Southern Pacific Railway tracks below.

Local Police

to Police Chief James G. Reardon, after one member of the band, captured by San Francisco police, admitted that they had stolen the batteries.

Mrs. Neilson told local police that she was driving by the lot when she saw a man who was standing near the batteries run away from the lot when he saw her car approach. She reported to police immediately, and the goods were recovered.

The batteries were among numerous other types of merchandise which were stolen by the hi-jackers. Their loot considered mostly of automobile accessories and cases of liquor.

Hicks was driving west on Los Olivos avenue, but failed to make the turn when he reached the end of the street at the Niantic corner. After going over the bank, the machine struck a telephone pole, causing considerable damage to the car. Giving the report to local police later, Hicks told them he did not know the street ended there. He was permitted to go and the car was towed to the Daly City garage.

Elementary School District Spends $76.75 Per Pupil

The Jefferson Elementary School district spent $76.75 for each of the 1,167 pupils in average daily attendance in the district in 1941-42, a study of current spending per pupil in the larger elementary school districts in California, made public today by California Taxpayers' association, shows.

The district's total current expenditure per pupil of $76.75 was twenty-eighth from the highest among the 41 elementary districts in California with from 851 to 1,250 pupils in average daily attendance, the association found. Median, or midpoint total current expenditures per pupil for districts in this size group was $83.93.

Teachers' salaries in the district averaged $56.14 per pupil, compared with a median payment for teachers' salaries of $56.11 for similar-sized districts.

Expenditures for other current purposes, which include administration, supplies, maintenance and operation of grounds and buildings, averaged $18.61 compared with a midpoint expenditure of $23.75 per pupil.

DEHYDRATION
of fruits and vegetables
is EASY to do at home

When your Victory Garden produces more fresh vegetables than you can eat...conserve this surplus by DEHYDRATION. When fresh fruits are plentiful and cheap...DEHYDRATE them and seal them in air-tight containers for winter use.

BUILD or BUY a DEHYDRATOR OR SHARE ONE WITH YOUR NEIGHBOR

It is simple and easy to build a small electric dehydrator to dry fresh fruits and vegetables. When a suitable type of electric heater is used, dehydration is not much different than cooking by time and temperature. Quality, color, flavor of home dried foods are excellent, too!

USE YOUR RANGE OVEN AS A DEHYDRATOR

Wooden frames with mesh bottoms are all that is needed to convert your range oven into a successful Home DEHYDRATOR. Preparation of food for dehydration is as easy as for cooking.

At The District Grammar Schools

AT CROCKER

To the eighty pupils, members of the seventh and eighth grades of Crocker school, who are participants in the patriotic enterprise of the "Victory Garden" has been added the fifth and sixth grades. Mrs. Edna Hicks, social science teacher for those two grades, is supervising these youngsters. The adjoining remaining lot has been taken over and cleared of weeds. The only adult help given these students has been the suggestions of teachers and the assistance of Clarence Fahy, caretaker of the school, who has helped build the fence and paint an attractive sign board "Victory Garden."

A huge wooden "C" has been set in the foreground around which lawn has been planted. Surrounding the "C" are primroses. Pupils and teachers alike are proud of the interest and willingness of all those participating in this way of helping Uncle Sam.

ROOM 2

The pupils are busy making a large map which will show the thirteen English colonies and the different kinds of country that were yet to be explored in the West.

ROOM 3

Many of the children visited numerous places during Easter week. Evelyn Davis visited her aunt and uncle in Palo Alto. Ragnar Nordgren spent the week with friends in Los Banos. Stephen Ward enjoyed his vacation at his grandparents' place in Point Arena. Walter Zeise stayed near Fresno with his grandparents.

ROOM 4

Many of the pupils spent the Easter holidays visiting relatives and friends out of town. Among them Florence Nordgren and Mary Montano visited on a large ranch in Los Banos. Barbara Denman visited her sister in Fresno. Peggy Chamberlain spent the week visiting Jeannine Estes, a former Crocker student, now living in Redwood City. James Fillippo with his parents enjoyed the weekend in the Santa Cruz mountains. Norma Boscolo visited friends at Pittsburg, while John Murzi enjoyed fishing at Pittsburg.

ROOM 6

Howard McCarten visited the Lockheed air plant during Easter week. His interest in the building of planes has become greater since his visit there and he hopes to be able to do his part some day in that line of work.

AT JEFFERSON

Aside from regular school routines, the Jefferson school Victory garden is the big topic of interest at the southern end of the district. About 65 students of the fifth, sixth, seventh and eighth grades are the plot owners. Daily, before and after school, during the noon hour and physical education periods, busy gardeners can be seen earnestly looking after their assorted young plants.

A straw vote decided the site for each grade after which the students chose their partners, staked their plots, decided upon the vegetables to be grown and buckled down to work. All of this, of course, after a strenuous few days clearing the ground and preparing the soil. Results of these efforts are beginning to find their way above the ground.

OFFER TRIP

A trip to Moffatt field is in the offing for the boy or girl who salvages the greatest quantity of tin cans during a one-week period. Tins must be prepared according to government regulations.

FIRST AID

First Aid classes for this semester are nearing completion and soon another large group of boys and girls will be the recipients of Junior First Aid certificates.

KINDERGARTENERS

Each year during the Spring semester, kindergarteners learn their Folk dances and for their May Day celebration they do these dances around their Maypole, colorful with many streamers. The favorite dances this year are: "Greeting Dance," "How Do You Do, My Partner," and "Chimes of Dunkirk." To add to the colorful festivity, the little girls wear pinafores and bonnets and the boys add belts and caps.

Hold News-Writing Class For Adults

A news-writing class, especially designed to aid the public-relations chairmen of P. T. A.'s, church, and social groups to streamline their stories, has been started at Adams Adult center, 750 Eddy street, San Francisco.

This Public Relations class is being taught by an experienced newspaper man and will aim to train the students to trim their stories to fit into the war-crowded papers without losing their punch.

Work starts at 12 noon and lasts to 1:45 p. m. each day. This is a free public schools class. The class will continue for 8 weeks.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

Native Daughters Buy $300 Worth Of Bonds

Shortly after a statement was released notifying the public of the Japanese execution of captured American flyers who participated in the raid on Tokio a year ago, El Carmelo Parlor No. 181, N. D. G. W., purchased $300 worth of War bonds. It was their answer to Tokio and their reply to Secretary Morgenthau's April bond drive.

Realizing that a successful war cannot be waged without the successful meeting of war bond quotas, individual members of the parlor have also increased their purchases of bonds and stamps.

Many El Carmelo members are actively engaged in Defense work and those who must stay at home to care for their families are contributing their bit by sewing for the Red Cross, contributing blood to the Blood Bank, entertaining servicemen at their homes and at parlor socials, and taking courses in First Aid and Home Nursing.

Alice J. Forrest Completes Training

Auxiliary **Alice J. Forrest,** 171 Willits street, Daly City, has completed basic training at the First Women's Army Auxiliary Corps Training Center at Fort Des Moines, Iowa, and has been selected for specialist training in administrative school.

She will receive additional training in a specialized field preparatory to taking over an important behind-the-lines Army job, releasing a soldier for combat duty. There are now more than 100 jobs listed by the Army replacing soldiers with WAACs.

Baubles For Barter Campaign Now Under Way In D. C.

Reb's Upholstery Shop Is Collection Center

"Lady, make a note of this—those baubles (junk jewelry) reposing in some box, discarded and forgotten, might well save a countryman's life, down in the South Pacific where the going's tough."

This was the message phrased, this week, by R. E. Bennett, proprietor of Reb's Upholstery shop, 26 Hillcrest drive, in his campaign to collect a nice big donation from Daly City of "baubles for buddies to barter." This important drive is sponsored by the San Francisco League for Servicemen, which ships the beads, necklaces, earrings, brooches, old compacts, rings, lipstick holders off to the combat areas where there are native populations which "go" for this sort of article.

Natives, who wouldn't think of working for mere money, will dig foxholes, carry wounded, pack munitions and supplies through the jungles for junk jewelry.

And that, lady, is where you come in! Won't you take your discarded costume jewelry up to Reb's today. That's the local collection depot, 26 Hillcrest drive, conveniently located in the shopping area.
